Product Description

The Carve Designs Women's Tamarindo Top combines sexy and practical flawlessly with the simple design made to hug your body and never let go. The low support holds you close, hugging your curves and the thin straps that crisscross in the back let you surf without the fear of losing your top. Don't let a thing like physics stop you. Sharks, yes. Physics, no. Features of the Carve Designs Women's Tamarindo Top Carve Design's Splash function design and Fit offers High support and coverage Low support Ties at back for an adjustable Fit Removable chest pads give you a customizable Fit for every bust size Made in USA
